Irwin Army Community Hospital:

Mail-order pharmacy provides convenience and value.

Irwin Army Community Hospital continually explores convenient options to enhance customer satisfaction in the pharmacy by encouraging patients to become active participants in their health care.

Contact your provider to write a new prescription to receive up to a three-month supply with authorized refills for up to one year by mail.

After following the enrollment procedures, patients have two options to initiate mail-order prescription refills:

- Option 1: mail your order
 1. Complete the new patient mail order form (visit www.express-scripts.com/TRICARE)
 2. Attach your prescriptions to the order form
 3. Mail the new patient mail order form and your prescriptions to:
Express Scripts, Inc.
PO Box 52150
Phoenix, AZ 85072-9954
- Option 2: fax your order
 1. Complete the new patient mail order form
 2. Ask your provider to fax the new patient order form and your written prescriptions to 877-895-1900 (faxes are not accepted for controlled medications)

The IACH prescription automated refill line can be used as an alternate service option.

The automated prescription refill system is easy to use with a touch-tone telephone. Patients can request prescription refills, receive information about medication and hear the pharmacy hours of operation using the APRS.

To refill prescriptions by phone, call 239-PHAR (7427).

IACH instituted a policy Feb.1 requiring all refills to be requested by phone or online.

As another customer convenience alternative, self-care card holders can receive free over the counter medications with a self-care card to treat minor, routine sickness.

Visit <http://iach.amedd.army.mil> and follow the "quick links" tab to the self-care online course.

IACH pharmacies will fill any prescription that is on formulary. Beneficiaries are encouraged to ask providers to use the online formulary to verify availability of prescribed medications.

Visit <http://iach.amedd.army.mil> and follow the "pharmacy" tab to the online pharmacy.

The patient's valid military identification card must be presented to pharmacy staff when picking up prescriptions. This applies to all beneficiaries 10 years of age and older including spouse, parent, child or guardian. By presenting the patient's valid military ID when requesting a prescription, the bearer of the ID demonstrates that the patient has given permission for the person to obtain the prescription.

TRICARE pharmacy program handbooks are available on the fifth floor TriCare Office or at the pharmacy.

For additional information visit: <http://iach.amedd.army.mil/sections/clinics/pharmacyMain.asp>.
