

Are You Prepared?

Emergencies can range from inconvenience to devastation, but you can resolve not to be a victim of an emergency or disaster and take necessary steps to minimize the impact on You and Your Family.

➤ BE INFORMED

- Know who to call
- Know how to obtain emergency information
- Know the common local hazards in your area

➤ MAKE A PLAN

- What is your Personal & Family Emergency Action Plan

➤ BUILD A KIT

- Assemble at least one Emergency Kit for your home and auto

➤ GET INVOLVED

- Promote Preparedness in your community
