

# Severe Weather Communications

## • Make sure you have at least one of the following in case there is a power failure:

- Battery-powered radio (for listening to local emergency instructions).
- National Oceanic and Atmospheric Administration (NOAA) weather radio receiver (for listening to National Weather Service broadcasts).

## • Find out how your community warns the public about severe weather.

- Fort Riley AtHoc Text Messaging / Fort Riley Facebook
- Radio
  - KJCK-AM / 1420

  - KBLS-FM / 102.5
- Television
  - Fort Riley Command Channel / Channel 2
  - WIBW / Channel 13
  - KSNT / Channel 27
  - KTKA / Channel 49

## • Family Communications Plan

- Developing a plan for what you and your family will do when severe weather strikes is an important step in being prepared. Your family may not be together when disaster strikes, so it is important to plan in advance: how you will contact one another; how you will get back together; and what you will do in different situations.
