

ARE YOU A FEMALE SOLDIER AT FORT RILEY?

With each Army move, you are left to find new “battle buddies.” Female Soldier Network (FSN) will provide you with opportunities to meet other female Soldiers beyond your unit, while having fun and/or learning.

FSN will include monthly events, trips on and off the installation, activities, guest speakers all of which designed to promote friendships, mentorships and enhance your career progression.

What is Female Soldier Network About?

Mission Statement:

The Female Soldier Network (FSN) provides all female Soldiers the opportunity for professional and personal growth through social networking and mentorship beyond their units.

How does it work?

A volunteer committee of Fort Riley female Soldiers will have monthly meeting to identify opportunities and activities they want the FSN to conduct. With the support of the Army Community Service (ACS), information about FSN activities will be shared through unit MRT and SHARP personnel as well as MWR Facebook.

Who Can Participate?

All Female Soldiers!

For you by you!

FSN Activities:

- Recreational Activities
 - Trips & Tours
 - Entertainment & Shows
- Workshops
 - Discussion Groups
 - Guest Speakers
 - Leader Mentorship
- Volunteerism
