

# SURVIVOR OUTREACH SERVICES

## OUR MISSION

SOS demonstrates the Army's commitment to Families of the Fallen by providing support and standardized services to Active, Reserve, and Army National Guard Families.

The Fort Riley SOS program staffs a support coordinator and a financial counselor. The Support Coordinator functions as the long term support personnel for Survivors. The coordinator facilitates support groups, provides life skills education, and connects Survivors with counseling resources within the local and surrounding communities. The Coordinator also acts as a liaison between families and Casualty Assistance, legal and other resources.

The Financial Counselor provides assistance with military benefits such as SGLI, VA benefits, and Survivor Benefit Plan. The Counselor also assists Surviving Families with investment and estate planning education, budgeting, debt reduction, and other financial issues.
