

### Thank you for your service!

We're searching for members to become Underwriting Analyst's at our Hartford, CT, Kansas City, KS and Omaha, NE. locations.

**Would you like to be trained to make financial decisions for a Fortune 50 Company?** Then here is your opportunity. No experience is required and training will be provided. The healthcare industry comprises over 17% of the nation's GDP, and as an Underwriting Analyst at Aetna, one is able to become part of this high-profile and dynamic industry. The Underwriting Analyst role is an ideal entry-level opportunity to start your career in this ever changing environment. We are looking for self-starters who can demonstrate analytical skills, have a mathematical mind, good communication skills, and strong common sense. If you are an individual with strong foundational skills who is looking to learn this business from the inside out, then simply network with us and upload your resume by [joining our Talent Community](#).

Again, thank you for you service and for your interest in Aetna.

### Aetna's Culture and Values

We strive to carry on a tradition of excellence. We are diverse people coming together to surpass our goals. Nothing is impossible to us.

### Connecting Veterans with job opportunities

Aetna is an equal opportunity & affirmative action employer. All qualified applicants will receive consideration for employment regardless of personal characteristics or status. We take affirmative action to recruit, select and develop women, people of color, veterans and individuals with disabilities.
