

10 ASOS Mission and Vision

■ Mission

- INTEGRATE with joint partners in TTP development, training, and combat operations
- ADVOCATE for air, space, and cyberspace power in joint battle planning
- EXECUTE ISR, TACS, CAS, and System Sustainment in full spectrum combat operations

■ Vision:

- Set the standard for Airmen/Dependent care by integrating joint family care resources, advocating for 10 ASOS personnel welfare, and executing a robust internal support system. Set the standard for ASOS mission accomplishment through steadfast joint partner integration, expert Air Force capability advocacy, and flawless mission execution.

SANDHOG STANDARD -- SETTING THE STANDARD!
