Dear New 10 ASOS Member,

I would like to welcome you to the 10th Air Support Operations Squadron, Fort Riley Kansas and the surrounding area. Our Squadron is comprised of approximately 188 personnel; half are 1C4s and the other half consist of support personnel. We are aligned with the 1st Infantry Division and 3 corresponding Brigades (1/1 ID, 2/1 ID, and 4/1 ID) at Ft Riley. The squadron also has a Detachment at Ft Knox supporting 3/1 ID. We are located only fifteen minutes away from Manhattan, which is the home of Kansas State University. We are only an hour from Topeka, our state's capitol, and only two hours from Kansas City. McConnell AFB is located in Wichita Kansas and is 120 miles south of us. We use McConnell Air Force Base as our supply point and servicing military personnel flight.

If you like to hunt and fish you are definitely coming to the right place. There are all kinds of places to go hunting around here and there is pretty much every game animal you can imagine. Two major reservoirs are located around Ft. Riley. So if you like swimming, fishing, water skiing, and boating then you will have plenty to keep you entertained.

If you want more information about the area feel free to visit the Ft. Riley home page at www.riley.army.mil and look for the 10th ASOS web page or give me a call at the squadron if you have any additional questions. The DSN# for the 10th ASOS/CSS is 856-0410/3374 or Commercial (785) 239-0410/3374. My work number is (785) 239-8309 and cell: (785) 213-7850. If you would rather write, you can reach me at steven.e.thomas.mil@mail.mil anytime.

If there is anything else I can do to make your transition a smooth one, don't hesitate to call or write. Again welcome to the 10th ASOS and I look forward to meeting you.

STEVEN E. THOMAS, MSgt, USAF
