MANHATTAN

2015 APRIL EVENTS

The Diehard Battalion

Founded in 1846, the 1st Engineer Battalion is the oldest and most decorated in the Army. The battalion traces back to the formation of a company of Miners, Sappers, and Pontooniers at West Point, New York to fight in the Mexican War. Since then, the battalion has received 62 decorations and streamers and eight foreign awards. From the Vera Cruz campaign to three tours in Iraq and two in Afghanistan, the battalion has fought across the world in defense of freedom. The battalion lists among her famous alumni; Robert E. Lee, George McClellan, and P.G.T. Beauregard.

The Diehard Battalion is proud to welcome the greater running community to the second annual "Diehard Dash" in the spirit of good competition.

Reality U\$ is coming to Junction City High School and we need your experience and expertise!!!

WHAT IS REALITY U\$?

Reality U\$ is an exercise that helps students understand some of the “realities” involved in preparing for an employable future and adulthood. At Reality U\$, students receive an adult scenario based on a survey they have completed prior to the event. The scenario includes: marital status, number of children, career field, and net monthly income (based on choice of career field and current GPA).

At the Reality U\$ event, students will visit a variety of booths to “purchase” housing, transportation, communication services, child care, food, utilities, insurance, etc. They will also have the opportunity to save money, give to charity and learn about unexpected things that affect daily life (e.g. accidents, unexpected visitors).

VOLUNTEERS NEEDED

Volunteers help the students make wise financial choices regarding the necessities and luxuries they imagine as part of their adult lifestyle. Volunteers are provided with detailed information and price sheets for their specific booth allowing them to help the students decide how best to spend their money. You just need to bring your life experience!

Volunteer Session Times

We ask that all volunteers arrive 10 minutes before their session time begins.

Tuesday, April 21st

Session 1	8:30am-9:55am
Session 2	10:00am-11:20am
Session 3	11:25am-1:20pm

“Tornado Safety Tips”

Tornadoes can occur at any time of day or night and at any time of the year.

A tornado is a violently rotating column of air extending from the base of a thunderstorm down to the ground. Tornadoes are capable of completely destroying well-made structures, uprooting trees and hurling objects through the air like deadly missiles.

Before the Storm:

- ❖ Develop a plan of action
- ❖ Pick a Tornado safe room in your home
- ❖ Have frequent drills
- ❖ Have a NOAA Weather Radio with a warning alarm tone
- ❖ Listen to radio and television for information
- ❖ Sign up for Fort Riley AtHOC text messaging alerts
- ❖ If planning a trip outdoors, listen to forecasts

If a tornado warning is issued or threatening weather approaches:

- Always remember **“DUCK”** 
- Go to lowest level of the building, stay away from windows
- If caught outdoors seek shelter immediately.
- Get out of automobile and get into a sturdy structure or ditch. **OR**, buckle your seat belt and get below window level of your vehicle.

“DUCK”

Down to the lowest level
Under something sturdy
Cover your head
Keep in the shelter until the storm has passed
