Office of the Commander

Dear Future Durable Soldier:

Welcome to the 1<sup>st</sup> Sustainment Brigade and congratulations on your new assignment to Fort Riley, "Home of the Big Red One." Our Brigade traces its lineage back to WWII and is comprised of phenomenal Sustainment Soldiers. Our Brigade and the 1<sup>st</sup> Infantry Division have a magnificent history of professional service, a history that continues today as our units provide sustainment support in the ongoing Overseas Contingency Operations.

Upon your arrival, stop by the Welcome Center, Building 210 on Custer Avenue. It is easily found by taking exit 301 off of Interstate 70. The staff there will be happy to assist you, whether you need a map to navigate on post or information about the many programs and services to be found on Fort Riley. The Welcome Center also has information about local activities, such as hiking, fishing, hunting, shopping and nearby museums. I invite you to explore the Fort Riley website ([www.riley.army.mil](http://www.riley.army.mil)), the MWR website ([www.rileymwr.com](http://www.rileymwr.com)), the Fort Riley 1<sup>st</sup> Infantry Division Post Newspaper ([www.1divpost.com](http://www.1divpost.com)), and the on post television Channel 2 for more information and current events.

During your time in the 1<sup>st</sup> Sustainment Brigade you will also be afforded numerous opportunities to experience and enjoy all that Kansas and the United States Army has to offer. I have no doubt your experience, training, and other talents will prepare you to become an integral member of our team, and your contributions will ensure the continued success of the Durable Brigade and our Army.
