

Well, we had intended on getting this out with some meeting info in it, but as everyone knows, the weather did not cooperate with our plans !

IMPORTANT INFORMATION

If you are planning on leaving town for more than 24 hours you need to notify your POC, FRG leader, co-leader or Rear Detachment

If you plan on being gone for 7 days or more you also need to notify housing and the Provost Marshall. They have paperwork that you need to take care of before you leave. Also, make sure you leave your heat on, although turned down and you turn off the water to your washing machine.

Remember to keep your contact information updated.

Remember to expect delays when accessing control points/gates. They are all being remodeled and sometimes this can cause delays for traffic.
