

FAMILY READINESS GROUP and INFORMATION

As of 19 SEP 2003

Centurion Families,

Task Force Centurions has begun its long movement from its Forward Staging Base in Kuwait to its new operating base in Iraq. The first elements of the Task Force have already arrived and the remainder will arrive soon. To this point, Task Force Centurion units have encountered no enemy contact.

First priority is, and always will be, security for the unit.

Centurions—Duty First!
